

Paris, June 28th, 2017

Korian intends to strengthen its balance sheet structure for an amount of approximately € 300 million

Korian (the “**Company**”) announces today that it launches an issue of undated unsubordinated unsecured bonds convertible into new shares and/or exchangeable for existing shares (*Obligations à Durée Indéterminée à option de Remboursement en Numéraire et/ou en Actions Nouvelles et/ou Existantes - ODIRNANE*) (the “**Bonds**”), without preferential subscription rights, for a nominal amount of approximately € 200 million.

The Company also announces that it will sign today an issue of an undated hybrid instrument to an investor (the “**Hybrid Instrument**”). The Hybrid Instrument will not give access at any time to the Company’s shares.

The total amount of the Bonds and the Hybrid Instrument will stand at approximately € 300 million and will aim at strengthening the Company’s balance sheet structure.

ABOUT KORIAN

Korian, the expert in providing care and support services for seniors, with 715 facilities, operates Europe's largest network of long-term care nursing homes, specialised clinics, assisted-living facilities, home care and hospital home care services. At the end of December 2016, the Korian group has the capacity to accommodate around 72,000 beds in four countries (France, Germany, Belgium and Italy) and employs around 47,000 people.
